**COPM Fourth Edition**

Mary Law • Sue Baptiste • Anne Carswell • Mary Ann McColl • Helene Polatajko • Nancy Pollock

*The Canadian Occupational Performance Measure* (COPM) is now used around the world and has been translated into more than 20 languages. This 4th edition includes a synthesis of the research about psychometric properties of the COPM and evidence from studies using the COPM in outcome research. Evidence from the literature regarding the impact of the COPM and its clinical utility is included. Case examples and discussion highlight the use of the COPM in challenging clinical situations, as well as in administration, program evaluation and research contexts.
